NOVÍ LIDÉ

DARK ELECTRONIC / DARKWAVE / POST-PUNK

ABOUT THE BAND

NOVÍ LIDÉ are a darkwave electronic duo from Hradec Králové, Czech Republic, active since 2013. Mejra Šlejhar (vocals, guitar) and René Tomaides (synthesizers, samplers) create a distinctive sound built on sparse arrangements, electronic rhythms, synthesizers, electric guitar and deep vocals. Abstract lyrics in Czech combine a dark atmosphere with a hint of hope.

DISCOGRAPHY

Albums Světlo a stín (2017) and Kruh (2020), and four singles. Mastering of both albums: Moimir Papalescu.

LIVE SHOW

Duo: live vocals, electric guitar, synthesizers and electronic backing tracks. Set length up to 60 minutes. The band is available for support slots with international acts, darkwave and post-punk nights, independent clubs and selected festivals.
